1. Pursuant to my discussions with you with regard to this subject, it is my understanding that we agree that those functions which properly belong to the Regulations Control Staff will be identified, as well as those which do not.

2. Based upon the manpower required to perform these two separate categories of functions, a distribution of the personnel will be made between the immediate Office of the Deputy Director/Support (Special Support Assistant to the DD/S) and the Management Staff (Regulations Control Staff). The Chief, Management Staff will then become fully responsible for the Regulations Control function and the Special Support Assistant fully responsible for the remainder.
